

State Reps Kim Kendall (HD-18), Sam Greco (HD-19) and Judson Sapp (HD-20)

Voting Record by Subject

2025-2026 Florida Legislative Sessions

Source and verification note: Bill selection and issue descriptions are retained from the DEC legislative researcher's Kim Kendall record. Sam Greco and Judson Sapp vote entries were added after bill-by-bill verification against official Florida Legislature roll-call records. The subject organization is editorial; several bills affect more than one subject and are listed once under their primary issue. Bill numbers link to the official vote record used for verification.

Loss of Local Government Control / Local Funding

Bill / Year	Kendall HD-18	Greco HD-19	Sapp HD-20	DEC researcher issue description
SB 1080 2025	Yes	Yes	Yes	Further restricted local governments' ability to require developers to contribute toward infrastructure necessitated by growth.
SB 180 2025	Yes	Yes	Yes	Froze local governments' ability to strengthen land-use and growth-management rules, including changes unrelated to hurricane recovery. It directly interfered with St. Johns County's comprehensive plan.
HJR 1-F 2026	Yes	Yes	Yes*	Advanced Amendment 3, which could remove billions from police, fire, roads, parks, libraries and other local services without replacing the revenue.
SB 1134 2026	Yes	Yes	Yes	Restricted diversity programs and support for minority- and LGBTQ-owned businesses by local governments.
HJR 203 2026	Yes	Yes	Yes	Proposed eliminating non-school homestead property taxes without identifying replacement funding for local services.
SB 686 2026	Yes	Yes	Yes	Weakened home rule by fast-tracking development of agricultural enclaves, overriding parts of local comprehensive plans and limiting public review.
HB 399 2026	Yes	Yes	Yes	Further preempted local land-use and development authority.

Public Health

Bill / Year	Kendall HD-18	Greco HD-19	Sapp HD-20	DEC researcher issue description
SB 700 2025	Yes	Yes	Yes	Banned local water fluoridation despite opposition from dental and public-health organizations.
SB 56 2025	Yes	Yes	Yes	Created a state reporting and investigation system influenced by "chemtrail" and weather-modification conspiracy claims.

Education / Schools / Higher Education

Bill / Year	Kendall HD-18	Greco HD-19	Sapp HD-20	DEC researcher issue description
HB 1539 2025	Yes	Yes	Yes	Expanded school book removals and prevented consideration of a challenged book's literary, artistic, political or scientific value in certain cases.
HB 1105 2025	Yes	Yes	Yes	Made it easier to convert neighborhood public schools into charter schools while weakening teachers' and school employees' participation.
HB 1119 2026	Yes	Yes	Yes	Expanded school-library censorship, particularly threatening books involving LGBTQ people and marginalized communities.
HB 1071 2026	Yes	Yes	Yes	Restricted diversity programs and activism while increasing state control over curriculum and local school governance.
HB 905 2026	Yes	Yes	Yes	Restricted certain adoption and surrogacy arrangements, academic partnerships and international-student recruitment.
HB 725 2026	Yes	Yes	Yes	Expanded state restrictions over political and civic activity on college campuses.

Gun Safety

Bill / Year	Kendall HD-18	Greco HD-19	Sapp HD-20	DEC researcher issue description
HB 759 2025	Yes	Yes	Yes	Reversed part of the bipartisan Parkland reforms by lowering the minimum age to purchase rifles from 21 to 18.
HB 133 2026	Yes	Yes	Yes	Again voted to lower the minimum rifle-purchase age from 21 to 18.
HB 757 2026	Yes	Yes	Yes	Expanded Florida's armed-guardian program to public colleges and universities, allowing participating institutions to arm qualifying faculty and staff.
HB 1551 2026	Yes	Yes	Yes	Limited lawsuits against gun manufacturers involving the absence of safety features.

Environment / Water / Pollution

Bill / Year	Kendall HD-18	Greco HD-19	Sapp HD-20	DEC researcher issue description
SB 492 2025	Yes	Yes	Yes	Weakened wetland-mitigation requirements, threatening flood protection, water quality and wildlife habitat.
HB 1217 2026	Yes	Yes	Yes	Preempted local clean-energy, emissions-reduction and net-zero policies.
HB 167 2026	Yes	Yes	Yes	Shielded phosphate-related companies from certain claims involving radioactive pollution.

Child Labor

Bill / Year	Kendall HD-18	Greco HD-19	Sapp HD-20	DEC researcher issue description
HB 1225 2025	Yes	Yes	Yes	Weakened working-hour and meal-break protections for 16- and 17-year-olds.

Women's / Reproductive & Adolescent Health

Bill / Year	Kendall HD-18	Greco HD-19	Sapp HD-20	DEC researcher issue description
HB 1505 2025	Yes	Yes	Yes	Restricted minors' confidential access to contraception, STI care, mental-health services and related health information.
HB 1517 2025	Yes	Yes	Yes	Used fetal-personhood-style provisions that reproductive-rights groups warned could criminalize abortion care and assistance.
HB 289 2026	Yes	Yes	Yes	Extended wrongful-death claims to embryos at any stage, potentially creating legal weapons involving miscarriage and abortion.
HB 693 2026	Yes	Yes	Yes	Made SNAP and Medicaid assistance harder to access and prohibited Medicaid payments to Planned Parenthood.

Additional Kendall action (not a floor vote): HB 173 - Kendall sponsored the bill and supported its advancement through committee. It restricted minors' confidential access to contraception, STI treatment, mental-health intervention and substance-abuse care. The ACLU of Florida opposed it. It died before receiving a final House vote, so it must not be labeled a floor vote.

Immigration

Bill / Year	Kendall HD-18	Greco HD-19	Sapp HD-20	DEC researcher issue description
SB 2-C 2025	Yes	Yes	Yes	Repealed in-state tuition for Dreamers and expanded immigration enforcement in ways civil-rights organizations warned could encourage profiling.

Redistricting / Voter Suppression / Ballot Access

Bill / Year	Kendall HD-18	Greco HD-19	Sapp HD-20	DEC researcher issue description
HB 1205 2025	Did not vote	Yes	Yes	Created sweeping new barriers, deadlines and potential penalties for citizen-led constitutional-amendment campaigns. It became law, but Kendall cannot accurately be described as voting for it.
HB 1-D 2026	Yes	Yes	Yes	Approved partisan mid-decade congressional maps despite Florida's Fair Districts protections.

Labor / Economic Security

Bill / Year	Kendall HD-18	Greco HD-19	Sapp HD-20	DEC researcher issue description
HB 1157 2025	Yes	Yes	Yes	Added barriers to Florida's already inadequate unemployment-assistance system.
SB 1296 2026	Yes	Yes	Yes	Imposed additional burdens on public-sector unions while preserving exemptions for politically favored unions.
HB 191 2026	Yes	Yes	Yes	Created additional barriers that could delay or deny unemployment assistance.

Executive Power / Civil Liberties / Transparency

Bill / Year	Kendall HD-18	Greco HD-19	Sapp HD-20	DEC researcher issue description
HB 1471 2026	Yes	Yes	Yes	Gave the executive branch broad power to designate organizations as terrorist organizations without sufficient due-process protections.
HB 1473 2026	Yes	Yes	Yes	Concealed portions of the information used in those terrorist designations from public disclosure. Kendall also co-sponsored it.
SB 7040 2026	Yes	Yes	Yes	Renewed the governor-controlled emergency fund despite concerns about no-bid contracts and inadequate legislative oversight.

Partisan Use of Public Resources

Bill / Year	Kendall HD-18	Greco HD-19	Sapp HD-20	DEC researcher issue description
HB 33 2026	Yes	Yes	Yes	Used taxpayer-funded public infrastructure for highly partisan honorary designations.
HB 919 2026	Yes	Yes	Yes	Required Palm Beach International Airport to be renamed for Donald Trump, with potentially millions in public rebranding costs.

Vote-record notes

- HB 1205 (2025): Kendall did not vote on final House passage on May 1, 2025. Greco and Sapp voted Yes.
- HJR 1-F (2026): Sapp was not recorded in the initial House roll call, but the House later recorded his vote as Yea in its Vote After Roll Call record on June 2, 2026.
- SB 180 (2025): Kendall later acknowledged that she had not understood the effect of late changes to the bill. That does not change her recorded Yes vote. Greco and Sapp also voted Yes.
